

DATA SHEET

LABELER

Ref : 1526

Type : LABELER
Brand : ASSISTECH28
Model : MINVIO
Serial N° :
Year : 2011
Quantity : 1
Overall dimensions : 1.90 x 1.90 x 1.70 M
Weight : 600 Kg

// Designed for applying adhesive tamper-evident labels on cartons.

Description:

Automatic Double-Head Labeling Machine for Tamper-Evident Labels (Front and Back) – for Cartons

Equipped with:

- PVC conveyor belt, width 100 mm – length 1800 mm
- Upper PVC belt, width 50 mm – length 1700 mm, adjustable in height, for holding cartons in place during labeling
- 2 labeling heads for front and back application
- Label pitch detection by photoelectric sensor
- Product detection by photoelectric sensor
- Main drive by variable-speed motor
- Polished stainless-steel frame

Capacity:

- Carton dimensions:

Length: min. 30 mm – max. 200 mm

Width: min. 20 mm – max. 120 mm

Height: min. 50 mm – max. 300 mm

- Label dimensions:

Length: min. 12 mm – max. 430 mm

Height: min. 15 mm – max. 100 mm

- Maximum reel diameter: 280 mm

- Core diameter: 40 mm
